The Prayer of Sayyidina Al-Faqih Al-Muqaddam

Muhammad bin Ali Ba'alawi may Allah be pleased with him

In the Name of Allah, the most Compassionate, the most Merciful

O Allah, deliver us and the Muslims from misery to joy, from Hellfire to Paradise, from torment to mercy, from sins to forgiveness, from offenses to excellence, from fear to safety, from poverty to adequacy, from degradation to honor, from shame to dignity, from narrowness to expansion, from evil to good, from hardship to ease, from rejection to acceptance, from sickness to health, from resentment to contentment, from heedlessness to worship, from idleness to perseverance, from failure to success, from innovation to the Sunnah, and from tyranny to justice. O Allah, assist us in our religion through the world, in the world through piety, in piety through action, in action through success—and [aid us] in all of that with Your Gentleness that leads to Your Satisfaction and concludes in Your Paradise, accompanied by the vision of Your Noble Countenance. O Allah (x۱) O Lord (x۲) O Succor (x۳) O most Noble of the nobles, O most Compassionate, O most Merciful, O Possessor of Might and Grandeur, O Possessor of immense gifts. I seek the forgiveness of Allah the Almighty besides whom there is no other god, He is the Living, the Self-subsistent, and I repent unto Him. O Allah, I ask of You for success to perform works that are loved by You, for sincere reliance upon You, a good opinion of You, and sufficiency from all else besides You. My Lord, O most Gentle, O Provider, O most Loving, O most Powerful, O most Firm. I ask of You for utter devotion to You, complete immersion in You, comprehensive gentleness from You, ample beneficial and goodly provision from You, a long life, righteous works in faith and certitude, adherence to the truth and religion, honor and nobility that is lasting and permanent, untainted by pride or arrogance or corruption. Indeed, You are the All-Hearing and ever near. May Allah grant blessings and peace upon our master Muhammad, and upon his Family and Companions. All praise is due to Allah, the Lord of the Worlds.
